Last Term GPS students enjoyed a visit from Cricket NSW squad representatives.
Principal’s Report

Welcome back to all students for a wonderful and exciting term ahead of learning at Ganmain Public School. We have a lot going on with the final rotation of groups starting this week as well as excursions, reading reward days, book fair, swimming school, the “Grease” concert, presentation night and Year 6 farewell, to name a few items on the Term 4 agenda. Keep an eye for details in the newsletter, especially the “What’s on at GPS…” section to the left of this page.

If you get a chance please come in and check out our sensational community garden and terrific games popping up on our playground. Mr Mark Bryant has been busy over the holidays painting our board for chess and checkers. It looks amazing and I can’t wait to challenge the children.

I am so looking forward to the great term ahead.

Keep smiling and have a great week!

Sandy Schmid - Relieving Principal

Year 6 Fundraising Report

On the last day of Term 3 we had a fun day which raised money towards an end of year gift to the school. Thank you to everyone at school for your support.

Some of the highlights were watching a choice of two movies either Parental Guidance or The Lego Movie. Everyone enjoyed this treat.

The other great part of the day was that the students got to come to school in their favourite footy team jumpers. We had students wearing jumpers from the GGM Lions, Kangaroos, Swans, Port, GWS, Essendon, NSW Blue Pups, Newcastle Knights and others.

We had a great day and it was a success, raising over $60.

We are now planning another fun day for Term 4. Watch out for more details in the coming newsletters.

Report from GPS Year 6 students.

News from our Youth Worker

What a fantastic break we all seemed to have. In Term 4 the weather is warming up so please remember the No Hat, No play school rule is into action.

School banking starts next week. Remember to bring in your bank book and money (no more than $10.00 please) for banking on Wednesday 15th October.

October is “Mental Health Month” which is a way to encourage us all to think about all things that make us thankful. To help us to do this I am running a competition.

Put pen to paper and write down what makes you thankful and why. I am looking for the most creative entries. The entry must not be larger than A4 sized paper. For the younger students in Acacia you can draw a picture and even add some sentences too on what makes you thankful. The best entry will win a prize pack. Entries need to be given to me by Friday 31st October. If you would like to talk about some ideas please come and see me at recess, I would love to brainstorm some ideas with you.

Have a great week.

Mrs Fryer – Youth Worker

Front Page...

Featured on the front page of today’s newsletter is a shot of the Cricket NSW visitors to GPS last term. The students enjoyed a fantastic chat with Gurinder Sandilav, Trevor Chappell and Luke Olsen. There were lots of questions especially for Mr Chappell on his infamous under arm bowl!
