Maths fun in Banksia.
Principal’s Report

We are so thankful to be receiving the lovely rain. Whilst it has stalled outside games like footy, board games are also great fun and a valuable way to learn and play.

The new winter jackets have been keeping the students warm and snug. They have proved to be just the right garment for cold, wet winter days. Mrs Booth has placed the second order and these should be ready for Term 3.

Yesterday P&C ran another successful Healthy Food Day that the children appreciated and gobbled up in no time. The children absolutely enjoyed the savoury muffins and fruit for recess and stuffed bolognaise spuds for lunch. Thank you to the mums that helped with the cooking and on the day. This wonderful day each term would not happen without you.

A big congratulations to Abbey Hamblin who competed at the Riverina Cross Country last week. Abbey put in her usual 100% and was rewarded, placing 3rd. Abbey is now in training for the State Cross Country in Term 3. Well done, Abbey We are very proud of you.

Next Monday & Tuesday Mrs Graham & myself will be attending Professional Learning in Wagga. Mrs Campbell and Miss Roden will be taking the classes during this time.

Next week Mrs Booth commences long service and Mrs Fryer will be relieving in the office. We hope she has a wonderful trip and look forward to her return later in Term 3.

Due to staff illnesses, the students reports will be sent home on Wednesday next week. If you would like to talk about your child’s report please phone the office and we can arrange a time or give you a call back. We are always here to work together with you for the children’s best learning outcomes.

Next Wednesday the School Leadership Team are holding a Fairy Day. Students can come to school wearing mufti for a gold coin donation. At recess and at lunch time there will be cakes, fairy bread and fairy cakes for sale. The students are all really looking forward to this fun day. Thankyou to the student leaders for organising this. We will have lots of photos in next week’s newsletter for you from the day.

Have a great week,

Sandy Schmid

Foggy Morning Poem

One cold and misty morning
I woke up and went out to the lounge room.
I looked outside but couldn’t see anything
Except for the pale white grass.

Next I went outside
And it was so cold
That my face turned blue and I just froze
And couldn’t move a muscle.
